

MEMO

28 October, Barcelona

Background information on the signature of the contract between F4E and the Dalkia-Veolia consortium

What is the scope of the contract?

Fusion for Energy has signed a contract for the infrastructure supply, operation, maintenance and waste management of the ITER PF coils building.

What is the duration of the contract?

The planned duration of the contract is for at least five years.

What is the value of the contract?

The overall value of the contract is in the range of 12 million EUR.

To whom is the contract awarded?

The contract is awarded to Dalkia, part of the EDF Group, together with Veolia, through its subsidiaries Veolia Propreté Industries Services (VPIS) and the Water activity of Veolia in France.

Dalkia, the leader in energy savings in France

Dalkia, a subsidiary of the EDF Group, is the leading provider of energy services in France. The company offers its clients tailor-made solutions scaled to fit each building, city, municipality, region and industrial site. Dalkia rises to the challenge of the energy transition and provides its clients with expertise covering the entire energy chain, from energy supply to optimisation of their energy consumption, as well as operation and maintenance of installations.

All solutions offered by Dalkia are paired with energy efficiency commitments and long-term performance guarantees.

Veolia group is the global leader in optimised resource management.

With over 179 000 employees* worldwide, the group designs and provides water, waste and energy management solutions that contribute to the sustainable development of communities and industries. Through its three complementary business activities, Veolia helps to develop access to resources, preserve available resources, and to replenish them.

In 2014, the Veolia group supplied 96 million people with drinking water and 60 million people with wastewater service, produced 52 million megawatt hours of energy and converted 31 million metric tons of

waste into new materials and energy.

Veolia Environnement (listed on Paris Euronext: VIE) recorded consolidated revenue of €24.4 billion* in 2014.
() pro-forma figures, including Dalkia International (100%) and excluding Dalkia France.*
